## PRESS RELEASE

### **Flat Spaces wins GOLD at the Beautiful South Tourism Awards**

Flat Spaces has been awarded a coveted Gold in the category Access and Inclusivity at the Beautiful South Awards 2017

The cream of the South East's tourism industry celebrated success this week at the Beautiful South Awards – the highlight of the 2017 tourism calendar.

Presented by TV and radio celebrity Toby Anstis and hosted by headline sponsor, the Grand Brighton, the Awards saw 71 prestigious gold, silver and bronze trophies handed out along with 20 highly commended.

**Nigel Smith, Chief Executive of Tourism South East**, said *The Awards ceremony reminded me again of the sheer quality of tourism businesses in the South East. All the finalists can be very proud of what they have achieved. I hope their example will inspire others.*

**Tom Yendell, Chairman and Founder of Flat Spaces**, said *We are honoured to receive this accolade in only our second year of business. The recognition gives us added impetus to move forward with our plans to open additional Flat Spaces around the country to enable those with more complex physical needs, their families and carers, to enjoy the holidays that most of us can take for granted.*

*Flat Spaces guests benefit from the wonderful facilities and equipment we offer from our suppliers OpeMed (Europe) Limited and Pressalit, and we are additionally grateful to the Rotary Clubs and their members throughout the country for their continued support.*

### **Notes to Editors:**

Flat Spaces Foundation. The Charity was started in 2013 with the aim of building a network of purpose built bungalows throughout the UK that are designed and fully equipped to enable those with severe disability, their families and carers, to take much needed holidays in the knowledge that their complex needs will be fully catered for.
